NATIONAL ANNOUNCEMENT TRANSPORTATION BULLETIN

MARCH 1, 2011 FREIGHT SURCHARGE INCREASE

Dear Customers:

As a result of an escalation in fuel prices, **GAF will increase the freight surcharge rate from \$100.00 to \$125.00 per shipment, effective March 1, 2011.** We will continue to apply freight surcharges to invoices for all loads of Steep and Low Slope products originating from all GAF facilities.

GAF will continue to monitor transportation costs and adjust the freight surcharge as necessary. Should you have any questions concerning this announcement, please contact your local sales manager.

Thank you for your continued support.
