

February 1, 2011

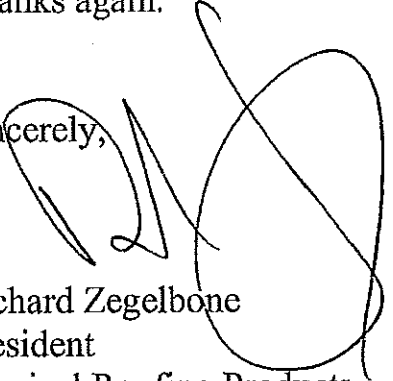

Dear Customer,

Due to rampant upticks in raw material costs Tropical Roofing Products will raise its pricing. New price lists, effective March 1, 2011 will be sent out towards the end of February reflecting a 5%-8% increase. It is our feeling that cost increases will continue throughout the year.

We thank you so much for your past patronage and look forward to remaining diligent and on task to bring you the best pricing and service in the most economical fashion possible.

Should you have any questions or comments, please do not hesitate contacting us. Thanks again.

Sincerely,

Richard Zegelbone
